1. General Assembly 2022 – save the date

The date, time and place for this year's General Assembly have been set. It will take place on Sunday, 3.4.2022 at 15:30 as last time in the House of Diakonia in Hilden. We hope that as many of you as possible will participate. There will again be the possibility to participate online by appointment. You will receive an invitation shortly.

2. Cooperation with Benin

Currently there is nothing new to report from Benin. Our last contact was at the end of 2021. As soon as there is news, we will get back to you. The next partial payment for teachers' salaries is due in April 2022 and will be provided by us.

3. Finances / Debiting of membership fees

On 23.02.2022 the membership fees for this year were debited. If you cannot find the debit in your account transactions or your bank details have changed in the meantime, please contact us.

4. The Yaoui refrigerator magnet

The fundraising campaign for the refrigerator magnets with capsule lifters with the Yaoui logo has got off to a good start. Copies can still be purchased for a donation. If you are interested, please contact us.

These actually happy and exuberant days are overshadowed by the warlike events in Eastern Europe. We wish you to be able to find moments of joy and peace in the midst of this terrible news.
