Newsletter
Bonn (Germany), March 2009

Dear friends and members of Yaoui e.V.,

here are some News from Yaoui e.V..

General meeting

Together with this Newsletter we send to you the minutes of our last general meeting. In the name of the board I want to thank all those how helped to bring the general meeting to success.

One of the decisions we made in the general meeting is now implemented: The minutes from the general meetings are deleted from the homepage due to privacy reasons. The Newsletters have been changed in that way, that names of association members are not visible any more. Only their initials or first names are visible. With this step we want to protect the personal data of our members. The Newsletters we send to the members of Yaoui e.V. by e-mail or mail will still contain the full names.

The Newsletters sent by mail or e-mail are only appointed to the members of Yaoui e.V. Please don't send these newsletters to non-members or publish them elsewhere. If you would like to send a newsletter to someone please use the one downloadable on our homepage or refer to our homepage.

Development Committee

Upon request of our members we want to carry on with our development committee. Therefore we appointed three dates, each on Saturdays. Those dates are:

- Saturday, June 06th at 8 pm. Location: Head quarter of Yaoui e.V., Zipperstraße 25 53227 Bonn
- Saturday, September 05th at 8 pm. Location: not yet named
- Saturday, November 14th at 8 pm . Location: not yet named

Please mark these appointed days.

Money transfer to Yaoui

Unfortunately we were not able to transfer the money for 2009 to Yaoui until now, because the Hans-Peter's journey has been cancelled. The board is working on finding an alternative to transfer the money in short term. We will inform you as soon as we have news.

„Es ist drollig auf der Welt; der eine hat den Beutel, der andere hat das Geld“

„It is funny in the world; one has the money bag, the other has the money“
