Schritt für Schritt Entwicklung fördern

Newsletter 56
Hilden, September 2023

Dear friends and sponsors of Yaoui e.V.,

with this short newsletter we send you summer greetings and the latest information about the club and Yaoui.

1. Pützchens Markt 2023
2. Trip to Benin
3. Online voting
4. Yaoui – merchandise

1. Pützchens Markt 2023

Next weekend it's already time: Pützchen's market will take place. From Friday, September 8th to Tuesday, September 12th, 2023, the big fair will take place in Bonn - Beuel. Yaoui e.V. is again this year actively represented on the Frittenwagen of the Nommensen community.

2. Trip to Benin

In January 2024 Matthias Sorsoli and Markus Brinkmann will travel to Benin after a long time and visit the village of Yaoui and the local school. There they want to maintain old contacts and find new, reliable contacts for working with the association. The travel preparations are

in full swing. The necessary vaccinations are carried out, the travel dates are slowly being tightened and the course of the trip planned. We'll let you know how it goes.

3. Online voting

There is good news for our plan that in future members will also be able to vote online at general meetings. A change in the statutes is no longer necessary, since the corresponding law (§ 32 BGB) was expanded in spring 2023 so that online voting is also possible. So we don't need to make any other changes. The invitation to the next general meeting will include instructions for possible online participation.

4. Yaoui - merchandise

As before, the felt key fobs and the fridge magnets with bottle opener with the club name or the club logo are available for a donation.

Get in touch if you are interested in one or the other!

Unfortunately, the postcard calendar planned for this autumn will be postponed by another year because the corresponding image material is missing. However, we plan to collect

image material during the trip to Benin in early 2024 so that we can then use photographs and student work.

We wish you a pleasant late summer.

Matthias Sorsoli, Juliane Steinmann, Martina Noske und Markus Brinkmann
