

Newsletter 62
Hilden, Dezember 2024

Dear friends and supporters of Yaoui e.V.,

The year is coming to an end and we would like to use this newsletter to thank you for your support in the past.

We are also informing you today about some topics relevant to the association and would like to wish you a nice pre-Christmas period.

1. Notarial entries

The necessary notarial to-dos resulting from the last general meeting and the board elections have now been carried out, and the entries in the association register have been made.

2. Pützchens Market

In September, the Pützchens Market fair took place in Bonn-Beuel, as it does every year. Some members of the Yaoui e.V. association supported the Nommensen community on a voluntary basis by working on the snack truck. We are very pleased that part of the proceeds were donated to our association and would like to thank the community very much for the donation of 4,000.00 euros!

We would be happy if we could find club members again next year who would like to help out and participate in the community food truck.

3. Save the Date

The date of the next general meeting has been set and we would like to let you know the date now. We would be very pleased if you would attend. We have achieved a lot together in recent years and the meeting offers a good opportunity to exchange ideas and incorporate your own ideas into the work of the association. The general meeting will again be broadcast online via Microsoft Teams. Everyone who has registered for online participation will receive a link before the meeting to log into the meeting. You will receive detailed information about this, among other things, with the invitation to the general meeting.

Save the Date Members' Meeting 2025:

Sunday, February 2, 2025 at 3:00 p.m. in the House of the Diakonie Hilden,
St. Konrad Alle 76a in 40723 Hilden

4. Current projects: book donations and calendars

Just before Christmas, we would like to take the opportunity to remind you once again of the two book donation campaigns for the school library in Yaoui and our self-designed calendars:

Book donation:

As already described, you can donate directly for a book package by transferring €25 to our account

DE20 3806 0186 0503 2660 16

Please enter the term "book campaign" in the subject line. As soon as the books have been bought and put away in the library, the books that were purchased with your donation will receive a signature with your name. We will have the entry photographed and send the photo to the respective donor.

Calendar:

Our calendars are finally available, and we will give them to you or send them to you in return for a donation.

a) the postcard calendar for a donation of €12 (= €4 proceeds)

b) the DIN A4 picture calendar for a donation of €20 (= €8 proceeds)

You can view both copies on our homepage via the link www.yaoui.de/Kalenderbestellung and order them online there.

The proceeds from this campaign will also go towards purchasing books for the library. The books purchased through the calendar campaign will also receive a stamp, but the dedication will not be personalized, but will be made out to the Yaoui e.V. association.

We are happy about every donation and hope that you, or those you would like to give them to, enjoy the lovingly designed calendars.

**We wish you a wonderful pre-Christmas season, a verry merry
Christmas and a great start into the new year 2025!**
