Dear friends and supporters of Yaoui e.V.,

Just before Easter, we are sending you this newsletter with the latest information about the association and Yaoui, as a little reading material for the holidays.

1. Benefit Konzert

On June 20, 2025, the ecumenical band Salt'nSoul will perform at the St. Pankratius Gemeinde in Burgdorf, near Hanover. Members of the association have direct contact with this parish and will also be present. The musical service will focus on the theme of "One World," and the Yaoui e.V. project will be presented during the service. Admission is free and donations will be accepted after the concert. The proceeds will go to our association.

We would like to thank the parish in advance for this support and for supporting the Yaoui e.V. association!

Anyone who would like to take the opportunity to visit Burgdorf is cordially invited to attend the concert. The community there would be delighted to welcome you.

**Freitag, 20.Juni 2025, beginning 18:30 Uhr at St. Pankratiuskirche Burgdorf,
Lippoldstraße 15, 31303 Burgdorf**

2. Updates on current project phases

As reported in previous newsletters, the next phases of the project plan are now underway. The building upgrades have been completed, and the installation of the school's photovoltaic system will begin shortly. The estimated amount of money has been transferred to the school.

The textbooks are also currently being procured locally, and the stamps are being entered into the books with the respective donors' names. As soon as we have photos of this and the progress of the PV system installation, we will share them with you. We are very excited to see what opportunities will arise for the students and teachers in Yaoui as the world moves a little closer to them!

We wish you a happy Easter and peaceful Easter holidays.
